MEMORANDUM FOR: General Counsel

1. Just in case you did not notice it in The New York Times of 9 December, there was an announcement in the book column that the firm of Robert Speller & Sons are planning publication early next year of a book called The Goleniewski Affair by Guy Richards of the New York Journal American. The book is described as covering "intelligence activities of the 'Tsarevich Alexei' behind the Iron Curtain, assisting Western countries."

2. The same firm is also scheduling a book entitled The Reappearance of the Romanoffs by Princess Marina Dimitrievna Kropotkin and Dr. Jon P. Speller indicating that the royal family escaped assassination.
